To Order, Choose Finish Selections & Options

Work Surface (if applicable): Choose from our selection of high pressure laminates.

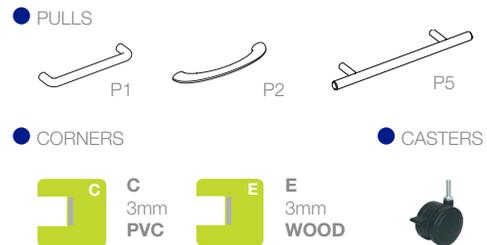

Cabinet: Select HPL, TFL or wood finish.

Edge: Choose from our selection of PVC or wood edges.

Steel Frame: Choose from our selection of powder coats.

Pull: Choose from our selection of Pulls.

See MTContracts' Finish and Color Guide for choices at <https://www.mtcontract.com/resources/finishes>

General Specifications

Cabinet: Are constructed with 3/4" thick engineered wood sides panels, sub-tops, vertical dividers and shelves. Backs are constructed with 3/4" thick engineered wood. Cabinet finish material includes high-pressure laminate and melamine with PVC edges and wood veneer with wood edges. Worksurface tops receive a high-pressure laminate surface. Cabinets 72"H or taller do not receive a worksurface top

Frame: Steel frame is 11 gauge 1-1/4" square steel tubing. Frame assembly is attached to cabinet using wood screws. Mobile units use 75mm twin wheel locking casters that attach via threaded inserts on underside of the steel frame assembly. Units 54" or taller receive 100mm casters. Freestanding steel support legs and mobile casters use the same threaded inserts and are interchangeable. Legs are available upon request.

Features of various cabinet configurations includes:

- Concealed door hinges and a variety of pulls available
- Full-extension drawers
- TOTR Tote rails for use of both TOT03-_ and TOT06-_ Tote totes.
