## THE FINE PRINT

All prices are F.O.B. the factory. Prices and specifications are subject to change without notice. Prices do not include applicable taxes, special handling, coffee breaks, lunch fees, T & E, vacations, PTO, installation charges or accusations, or time off for good behavior. A few of those last items were added in an attempt to interject a bit of humor in an, otherwise, very dry paragraph. There is actually a lot more where this came from. Sadly, most of it is quite serious and necessary in today's business world. If you are actually interested in reading all of it, we can send you a full-fledged copy of our terms and conditions. You can have your "people" call our "people" and we'll get a copy right over to you. By the way, you should probably seriously consider ordering some of the stuff outlined in this document. It is pretty cool stuff and it is made by nice people. What more can you ask for? No...it is not free. Have a nice day.
